

Late Bus policy - AIS will offer a late bus to those students who participate in an after-school activity, such as soccer or tutorials. It is the student's responsibility to sign up for the late bus by 1:00 p.m. each day. The sign up list is posted in the old gym area by the steps. The late bus will not run on Monday due to the weekly AIS teacher's staff meeting. There must be at least three students signed up to ride the late bus, if only one or two students sign up, then the bus will not run that afternoon. Those one or two students will be notified by 2:00 p.m. to make other arrangements for that day.
