Dear AIS Patrons,

This edition of our newsletter is the first electronic or “e-edition”. In our attempts to go “green” and save paper costs, we will not be sending home a newsletter to each family. Instead, please go to our website at <http://www.qsi.org/> and then click on our school Kazakhstan, Almaty on the left side of the QSI home page. Then click on “School Website”, also on the left side of the new page. When the school home page comes up you should see a beautiful picture of our school with the grand Tien Shan Mountains behind it. Bookmark this page so you can come back to it easily.

When you get to the home page of our school website, you will see a series of buttons, one of which is labeled “Newsletters”. Just click on that button and choose the language of your choice, English or Russian. We will be listing past issues on the website as well so you can go back and refer to previous issues.

As we offered last week, if you still want to have your newsletter sent to you as hard copy, please call the school (250-4561) and ask for the reception desk, or you can come into the school and ask at the reception desk that your name be added to our delivery list. We hope that you will find the electronic version of the newsletter to your liking. Thank you for helping us go “green” and save paper and toner costs as well as wear and tear on our copy machines.

Respectfully,
Mr. Russell Page
Director, AIS
