

**School administrators, teachers welcome appointments and visits. It is necessary to informally or formally meet throughout the year to share learning student successes, strategies, anecdotes and other information to improve student learning.**

➤ **Parent Orientation\*** (September and January)

Morning and evening events without children to learn, share and ask questions.

➤ **Open House\*** (September)

Evenings to meet teachers, visit classrooms and learn about learning and assessment practices. (not a conference opportunity)

➤ **Age Level / Division Nights\*** (October and April)

Evenings to share with students their group and individual successes in an informal atmosphere. (not a conference opportunity)

➤ **Parent/Teacher/Student Conferences\*** (November and March)

In November Parents and Teachers meet to discuss successes and actions. In March Students lead the explanation of successes and collaboratively planned actions for future success.

➤ **Coffee Mornings\*** (weekly)

Varying themes are presented (Mastering Learning, Rubrics, Athletics, Standardized Testing) and ample time for questions in order to address any issue.

**\* Check the homepage calendar for exact dates**
