At SIS, we settle for nothing less than mastery levels of performance and behavior

Security Update for SIS

Events over the last few weeks have obviously raised security concerns for all in Yemen.

Security has been a top priority for us since the winter break, and we have held a number of security meetings and reviewed our overall security arrangements. In the near future we will be holding a number of drills with the students in order that we can monitor the effectiveness of our security arrangements. We will continue to keep a close eye on the overall situation in Yemen, and appreciate the information that our parents are sharing with us. Please continue to keep passing on information to the school administration

on security issues. We have had a visit from officers from the presidential palace to review our security arrangements, and the number of soldier placements around the school has been increased.

We are hope that there will be no events in Yemen that will interrupt the important business of educating your children, and we will be very happy for the school to be able to continue to operations without disruption.

2nd Term Elementary Activities to Begin Soon

Elementary activities were in full swing for the first term with great things happening. Second term activities will begin this Sunday. All elementary students will stay until 3:00 on Sundays and Tuesdays. All other days, they go home at 1:30 unless they are enrolled in after school Arabic. Please check your Arabic schedule for picking up your children as some classes end at different times.

The tennis lessons taught by coach Mody ended with a tournament and included a variety of fun challenges. Finishing in first place was Everett, second place - Areh, and third place - Emily. Tennis will be offered again this term at the cost of

\$60 USD. If your child is interested, they need a signed permission form from their teacher and the fee before beginning lessons.

After school activities for 12+ began!
